前情提要

♥本來應該已死於車禍的甲斐，醒來卻發現自己在名叫茉莉花的女孩體內。相信茉莉花＝甲斐的只有甲斐的好友龍樹。

♥然而，由於茉莉花原本較弱起來的緣故，情況變成兩個人共處於一具身體內。甲斐裏得到身體的方法只有一個，就是移到茉莉花所生的嬰兒中。知道這件事的龍樹，便強迫茉莉花懷孕、生產。

♥茉莉花開出條件，若對象是她心愛的隨便ＯＫ，但龍卻不肯答應。就在絕望的茉莉花決定代替甲斐昇天時，最終於表白了他的真心。在那一瞬間，甲斐的靈魂被彈了出來。

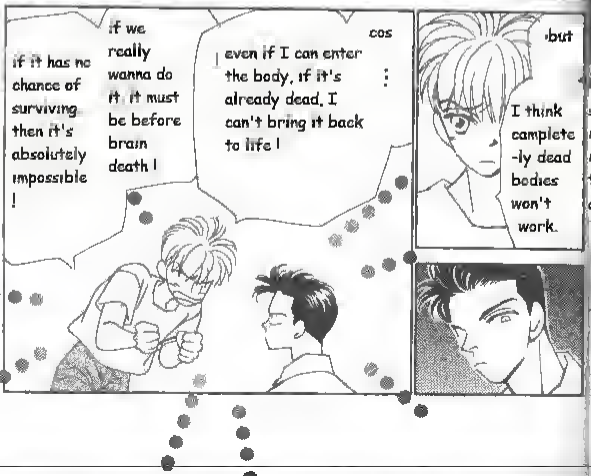
then go
well that theo -ry isn't wholly impos- sible
so Tatsu ki thus spake
the reason why Kai could enter Marika's body is that Marika's soul left hers when she died right
this means given the same conditions, he can enter another body

AH
YOU ACTUALLY SAY SUCH THINGS
STABBING AT PEOPLE'S SORE SPOTS
why would a phantom like you be scared of a corpse
no way !
Tat -suki let's forget this !
I'll be scared



if it has no chance of surviving then it's absolutely impossible !
if we really wanna do it, it must be before brain death !
cos even if I can enter the body, if it's already dead, I can't bring it back to life !
but I think complete -ly dead bodies won't work.

thus said Mdm Masa to and
the phantom 's only choice is to ascend to heaven
YOU JOKING RIGHT
THERE MUST BE ANOTHER WAY !
Marika was in a negative mental state because of lost love
now that has been resolved into 200% there's no more foothold for Kai
after getting expelled by Marika
I can't return to her body anymore
even if we wanted to, I'd still get repulsed.

roughly only traffic accidents are left sudden death, shock and
if it's death by injury then it'll depend on the amount of damage to the body
if not then,
WHAT THE HELL DO WE DO
checked on potatoes, stopped breathing,
currently carrying out CPR & heart massage

watch for the moment she expires and there'll be no problem
won't work
her family's been called here
because :
cancer at such a young age
Ms Ishida's been moved to a personal ward.

then ,
death from disease,
same for heart disease diabetes leukemia ?
all won't do I think
WHY !
even if I enter the body smoothly,
because ,
after getting up I'd still have to die of cancer.

*that guy's talking to himself ! so scary !

you still OK?
you don't look so good
I give up
oh another one !

I'm at 100% spirit sense !

you'll become like that
but Tatsuki has 0 spirit sense no ?
how do you think I'm talking to you ?
you
you can see that ?
is that so ?
yes that's so !
the theory by itself is perfect

next we'll win by number of tries
ah look another one over there !

it's impossible after all.
NOTHING LIKE THAT

a bodiless phantom
persis tent ?
sustains its form through a strong spirit
like a grudge or dedica -toin to life
in short, you're not yet qualified to be a ghost
it's cos Kai is not persistent enough
so, to ascend, he must do it now
NO !
and thus unable to pass on,
and will loiter this world forever
if this persistence is not strong enough, he'll soon be unable to maintain his form
I can't perform the ascension ritual if I can't tell who's Kai
no
if it's Granny you can do that right !
you have to think of another way !
GRANNY !!
you want Kai to suffer like that ?
eternal wande- ring
is eternal suffering
as did Marika
but if Kai
enters and lives in that body, then its soul will come back and not ascend.
if a human soul abandons its body
the body will die sooner or later

the body that Kai enters
we can just make its soul ascend before coming back
next life
as long as you're still emotionally attached to this world, you can't begin your next life
Kai
Tatsuki
it's OK so long as it's one's own wish ?
weren't you once going to make Marika's soul ascend ?
Granny can do it right !
Tatsuki
I've already said, once Kai is out of Marika's body,
that wasn't my real intention !
if you want the best for him
then let him ascend !
besides that was her own wish !
can't we just not let it come back ?
if I ascend
then I can reincarnate as a new self...
can have a body that truly belongs to me —

I'll definitely find a body for you
don't worry
Tatsuki,
I
I'm not begging you anymore!
DAMN OLD HAG
what have I ever lied to you
有。當然
of course you have.

WHO'RE YOU KIDDING !
Tatsuki had intended to give me your body,
that it ?
as a last resort
could it be ask

KAI !

WHY DID COME HERE ?

you're very rude. know that?
I'M NOT HAPPY ABOUT THIS AT ALL!
I DON'T WANT TATSUKI'S BODY
THAT'S NOT WHAT I MEANT
there'd be some unsatisfactory aspects,
just bear with them K.
what I really want
is a body that truly belongs to myself
I'm going to where the light is
and still having to sacrifice Tatsuki
that kind of life
I don't want that
to me
that's another person's life
that's all Tatsuki's things
friends, family, of course even the body
even if I did get

I'll go with you
ayii ?
I understand
that so ?
there to become a new self.
WHAT
if we can reincarnate , then it's fine.
but if it's not what we thought it is
then I can't let you get screwed by yourself
don't take it ta heart
I'm just being responsible

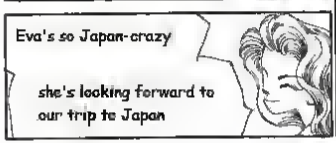
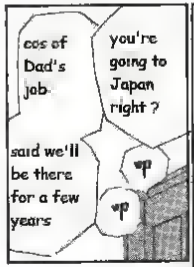
the neighbours moved in just half a year ago, and her Japanese is so fluent already
that girl's a strong learner, and adapts fast





THAT HAD NO FARTING USE !
I told you, we just did an injection

I used to live in Japan
aiya no wonder ·

SHOULDN'T YOU GO BACK NOW !
WHAT ARE YOU HERE FOR ?
ah right '
I did it cos, doctors earn a lot .
there you go again
but I never dreamt that you'd become a doctor
I know you're trying to fulfil Kai's dream for him
though he's the one who gets scolded most often by the instructor
couldn't tell that he's a trainee doctor who just graduated this year
that's cos dr. Satou is very spirited !
so frustrating
in front of dr. Satou, he's like a mouse who met a cat

oh if anyone in your family needs an operation you can leave it to me.
scarier than a wierd tale
that Tatsuki actually became a doctor
though you got re-examed twice and retained once.
don't even think about it
like a wierd tale ?
that sure was terri-fying

reincarnation of my childhood friend Kai »

the girl who, with memories of her past life, has come to see me, to fulfil Kai's promise.

leave all that guy's future injections to me. *snigger*

who's exaggerating !
you're exaggerating
why are your injections so painful !
※ aaaaah painfully !!!
wasn't it the same last time ! it hurt for one whole week !
Maki
but a trainee who just stepped from university IS no different from a sham in the first place.
however you , this way I'll have room to improve
indeed shameless
and you still laugh
being called a quack by the patient
for heaven's sake
thus um
anyone would be lousy in the beginning !

me ?
who ?
I'm a trainee doctor just like dr Satou
even if you like Tatsuki it's no use !
ay
my friend's ...
who who who, where's the kid from ?
Eva

so cute !
cos Tatsuki already has me
really !
really ?
Maki's got a man already !
don't spout non-sense !
that's great

don't mind that
people feel I'm unreliable.
just being a woman
cos unlike me Maki is excellent :)
OF COURSE I MIND !
I'd even risk my life
to not get despised by my patients

TATSUKI !

so you can only be my destined one!
cos
I knew Tatsuki before I was born

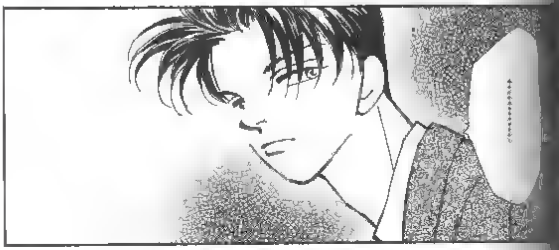
Kai was a guy friend
right!
since I'm reincarnated! let me continue!
isn't that nice!
that's to make up for killing him.
you clearly proposed.

don't be a player, K
dear
NO I'M NOT
pedophile

no matter how safe Japan is,
they'd still worry
even if not, in America people really can't imagine letting a kid run aff alone
even drive them to and from friends' homes

once they know what Tatsuki is like,
Daddy & Mommy will relax a little.
aright



wait another 10 years

sure are trou-ble-some

they said we must treat you ta a meal ta thank you.

how did you tell your parents about me ?

Dad and Mom will worry too
if they haven't met you properly.

you clearly don't need them anymore, why didn't you say that ?
what will you d with those ?
idiot
but
plus it'll be fine if we take them to the recycle bin

so why do I have to make them happy ?
they said they wanted to thank me !
clearly we're the ones getting thanked
that is not to make ourselves happy but to make the other person happy
WHY WHY WHY ? ? ?
why something I don't want won't be happy even if I receive it
just now that wasn't nice
Tat -suki ! hurry !
Eva
now that he hears it, it makes a lot of sense to him
me I hate chacolate !
don't wanna eat it at all !
WHY ! ?
that's why just accept it, no need to eat it
they did it out of good intentions
how ?
you could have just acepted it, no ?
if it's Kai, he'd accept peoples' thank-yous
but I'm not Japanese
it's Japanese's thoughtful -ness !

maybe
cos Kai never dared to speak his mind.
always listening to others
in America
the grown -ups teach us not to become like that.
you know
there
next
I wanna ride that
so I see
turns out it's this aspect

MATCH MAKING

leave this Sunday free
match making
so why did you suddenly run here ?
old big bro
you look like you're doing well
am not
you kiddin me
really
then there's no problem
no
that kinda thing's most troublesome
are you going out with any woman ?
NO WAY !
from my standpoint I can't refuse
just go meet them K
now looking for a suitable doctor to inherit it
that's an important customer of our bank, the only daughter of a hospital (directer)
now's the busiest time of my life
if I had that kinda time might as well sleep

that was cos somebody couldn't be independent for 8 years

so I couldn't get married

why don't you take care of your own marital affairs first

nor do I have time for match-making

I don't want to marry

the match-making is in Tokyo

since you refuse the match-making, then return all those tuition and living fees from before

then I will not force you anymore

oh looks like you don't want your living expenses anymore huh

don't blame me for your lousy luck with women

trainee doctors' salaries are very low.

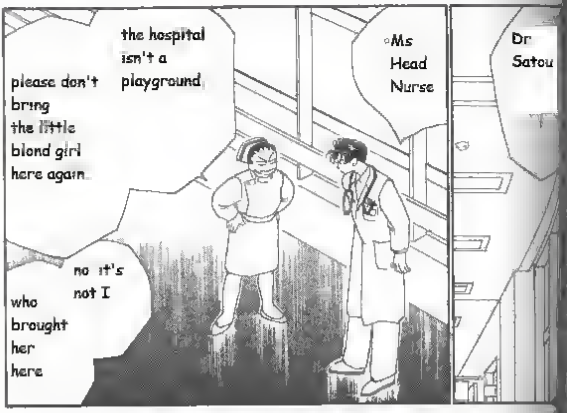
yeah but I'm not getting married
that's hard to say
of course he won't get married !
cos he's going for match-making for his brother's sake
things like this even without the intention it can still develop on
really
yi
Tatsuki said, he's not getting married
what
what
Dr Satou ?
YOU ARE SO OBSTRUC -TING ME



please don't bring the little blond girl here again
the hospital isn't a playground
Ms Head Nurse
Dr Satou
no it's not I who brought her here

very good
but, I'll ask her not to come again

Eva
PLEASE DON'T GO FOR MATCH -MAKING
Tatsuki

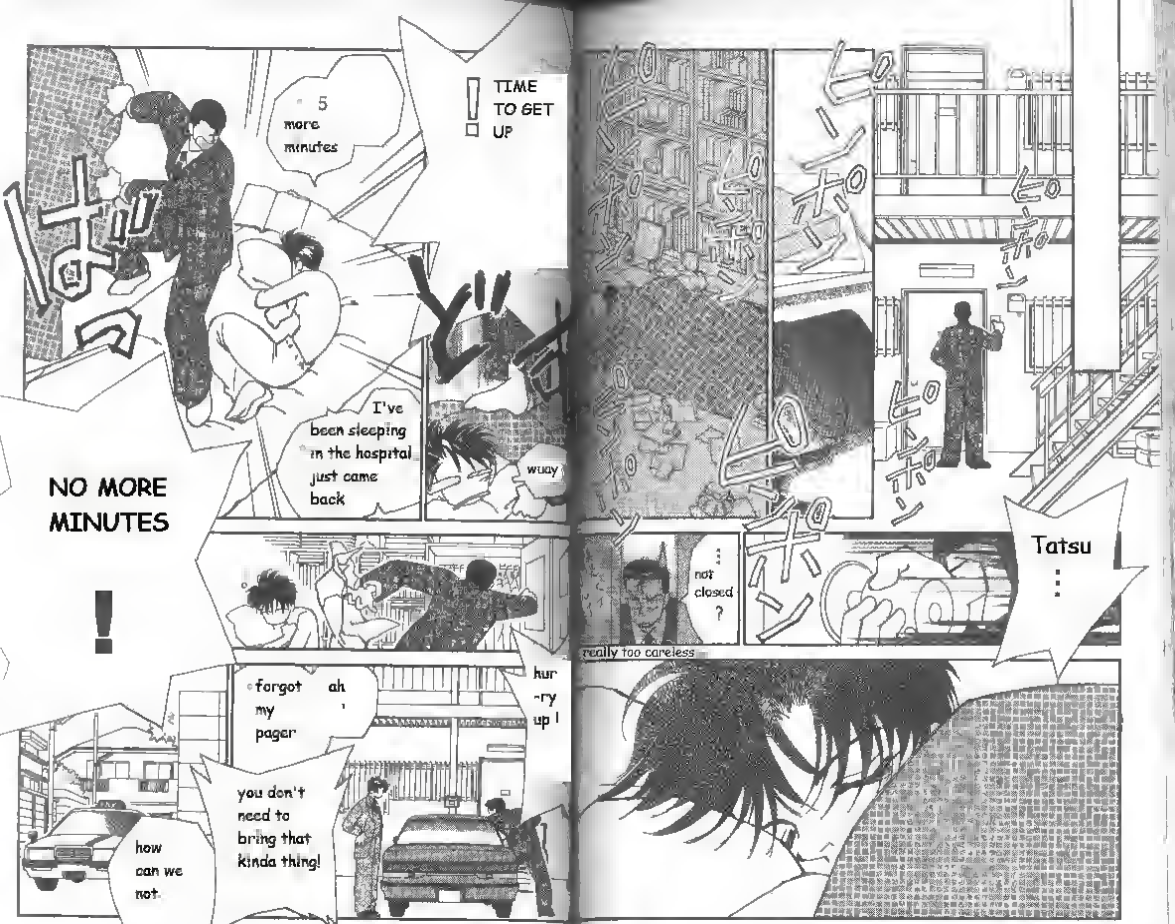
so the latter likes him,
it's only 'one blink' away from marriage !
and from his brother's standpoint, he can't refuse the other party right
Dr Satou
because

Head Nurse
what is one blink away

what about you Eva. you gotta make some Japanese friends.
you can't just stick to my side all the time
EVA
!
I HATE TATSUKI MOST !

so you can't come here again.
the hospital isn't a playground
there are a lot of things beyond an adult's control
that won't do
but
and
I don't have time to play with a child
you stay in the hospital for almost 24 hours !
from morning till night, even on Sunday too
this is work
some where outside the hospital
THEN
!
WHERE ELSE CAN I SEE TATSUKI ?

look back!
didn't chase me
TATSUKI BIG IDIOT
!



5 more minutes
TIME TO GET UP
I've been sleeping in the hospital just came back
wuay
NO MORE MINUTES
!
forgot my pager
ah
hur -ry up !
how can we not
you don't need to bring that kinda thing!
really too careless
not closed ?
Tatsu

it's useless pretending to be a gentleman anyway
this is my nature
not like it can be held in
don't yawn so wide.
on the matchmaking mat.
hey that hurt
I'm dead tired
trail that car
knowing all this, and still want me to inherit the hospital, that person's brain must be
If I don't say then it'll be deceiving
have you really found out all this first ?
even my graduation and notional exams were just barely glided over
plus I passed only after 2 reexams and retained 1 year
OW
!
no need to worry I think

your tastes aren't that lousy right ?
you sure ?
my daughter seems to like you very much as well
it's OK
It's OK
what !
you little !
well I'm big bro's little brother, thats why
this useless little brother of mine.
sorry
so
thanks for thinking so highly of me but until I become a full fledged doctor
I'm not considering marriage
about my daughter will you consider it positively ?
what do you say Dr. Satou
ay, don't say it like that
this is also a kind of fate
marriage can come later
why not try going out first
yi ?
you wanna ruin your hospital ?*
I like that
isn't honesty a very good thing
ぴた

*he said, "you wanna send off your hospital (on a funeral)" ?

but I don't dislike it
You've got to say clearly what you dislike !
?you really OK with this
come on
THANK YOU SO MUCH !
sold his brother for deposits
ay
this is fine too
gonna get dumped right away anyway
ah
really ?
yes

and once we start dating the one who's disliked,
not possible, I really don't have the time for that
will certainly be me I think
so director about that huge sum regular deposit
I must thank you deeply, Satou-kun !
now the hospital will be on steady ground !
that is great !
then I take it that you're willing)
as per agreement of course
wait, I
ay ?
咦!?

EEHH!?

DADDY
Dad
I DON'T WANT YOU TO GET MARRIED !
!
Daddy ?

E
DADDY
!

DADDY
Ev
va
BELONGS TO EVA
Daddy now
who's your
I don't want you to marry

HOW COULD IT POSSIBLY BE A BLONDE!
YOUR CHILD
that's why I said that
you're right
what's this all about?
this child
this
no
you
MORON
THEN AT LEAST FIND A JAPANESE KID!
IF YOU RUIN THE MATCH-MAKING,
!
completely defeated by big bro who thinks he'd actually carry out such a dump plan.

good grief
ah

stretching it more and more vigorously...
I did
you adopted?
but we settled it with just adoption.
I intended to get married to show responsibility
越拉越起勁
SPLITTING THE FORTUNES
INHERITANCE
ADOPTION
at high school yr 2 already had a child...
高2就有孩子

if someone else tells you 'this is your child' you'd of course believe it.
plus I'm not really innocent
yi?
but who knows what happened the moment she was born
at high school yr 2 I said I wanted to stop schooling
that did
THAT NEVER HAPPENED!
DON'T GIMME THAT FART!
see
say... now that you mention it—
sly grin
你把別人的肚子搞大了?
you got someone pregnant?
我要休學去工作。
I'm gonna stop schooling and go work

thinking
you angry ?
realised that if Eva hadn't appeared, everything would have been settled smoothly
a bit
but !
THE ONE WHO'S GONNA MARRY TATSUKI IS EVA !

*just take it as "please have mercy !"

now I think my living expen ses
Director please wait !
Satou -kun
please raise your gracious hand *
cancelled
next time I'll have the account at your place
are con- firmed gone

forcing people to be your dad
do you know how big our age difference is !
I'll grow up right away

Finally done !
There's still one short chapter after this

Many thanks to the moderators for accepting this, to Dylansmom and Xeiji for uploading the first ten chapters of Return, to fellow MFM (wherever you are now), and to you for reading this slipshot translation

with my brain ...

if Tatsuki isn't there anywhere ...

龍樹這個人...

I'll know once I've been there !

I haven't gone back to my condo for 3 days !
